

THE CAMPAIGN FOR CHRIST'S

Student Support Initiative

Helping our students to flourish at Christ's, regardless of their social, religious or financial backgrounds.

This Telephone Campaign, we want you to help us raise **£230,000** to support our graduates and undergraduates, so that we can attract and inspire the best and the brightest.

What we covered in 2017/18...

The Student Support Initiative contributes to every aspect of the Cambridge experience – from textbooks to tracksuits and rent to research – ensuring the outstanding students that we admit are given space to thrive.

Our Student Support Initiative provided £910,000 of funding, including:

£55,000 for student welfare

...and £40,000 for counselling and disability aid

Book grants for all first year students of £4,600

£404,000 for undergraduates

£36,900 in Sports and Academic awards

alongside £61,000 worth of Graduate Research grants

...And the impact on our students
