Support in Action

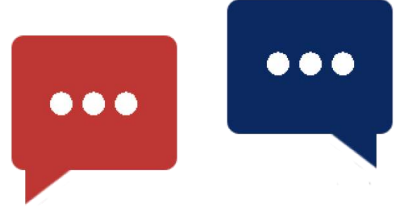

In the past academic year, the Student Support Initiative provided over **£1 million** of grants and support to our undergraduates and graduate students. This support enables our students to make the most of their time at Cambridge, without financial difficulties, and is only possible thanks to the generosity of alumni such as yourself

Having the Cambridge bursary to rely on every term is such a relief and so useful! For me, it means that I can enjoy aspects of Cambridge life like formals and May Balls, as well as pay for study essentials like books, without worrying too much about finances.

The main focus of this year's Telephone Campaign will be the bursaries aspect of our Student Support Initiative—most importantly the Cambridge Bursaries, worth up to **£3,500** a year, and our top-up and Rent Bursaries, which are up to **£950** a year.

We hope to raise **£220,000** during the Campaign, which will help make a significant difference to the support that we can offer our students; and we would be delighted if you took part in this.
